kaufen

In der Schule

In der Schule ist es schön.

Wir lernen lesen. Wir malen.

Wir lernen ein Lied.

Wir lachen auch

und helfen einander.

Wir sind in der Schule.

Schule

Es ist schön.

Klasse:

Datum:

1   
 $\square - \square = \square$

  
 $\square - \square = \square$

  
 $\square - \square = \square$

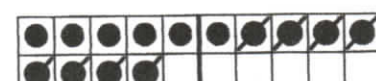

2   
 $\square - \square = \square$

  
 $\square - \square = \square$

  
 $\square - \square = \square$

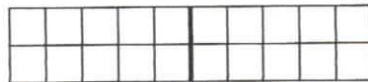

3   
 $\square - \square = \square$

  
 $\square - \square = \square$

  
 $\square - \square = \square$

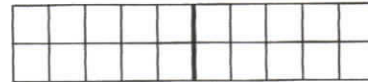

4 Male in die Kästchen und rechne.

   
 $13 - 4$   
 $13 - 3 = \square$   
 $\square - 1 = \square$   
 $13 - 4 = \square$

  
 $15 - 7$   
 $15 - \square = \square$   
 $\square - \square = \square$   
 $15 - 7 = \square$

  
 $12 - 6$   
 $\square - \square = \square$   
 $\square - \square = \square$   
 $12 - 6 = \square$

5    
 $14 - 8$   
 $\square - \square = \square$   
 $\square - \square = \square$   
 $14 - 8 = \square$

  
 $12 - 5$   
 $\square - \square = \square$   
 $\square - \square = \square$   
 $12 - 5 = \square$

  
 $17 - 9$   
 $\square - \square = \square$   
 $\square - \square = \square$   
 $17 - 9 = \square$

6    
 $11 - 5$   
 $\square - \square = \square$   
 $\square - \square = \square$   
 $11 - 5 = \square$

  
 $16 - 8$   
 $\square - \square = \square$   
 $\square - \square = \square$   
 $16 - 8 = \square$

  
 $13 - 7$   
 $\square - \square = \square$   
 $\square - \square = \square$   
 $13 - 7 = \square$
